

Wetplayer™

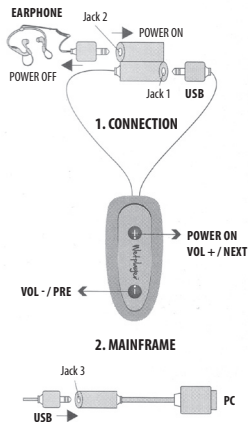

WATERPROOF MP3 PLAYER

USER MANUAL

Music Format: MP3/WMA
USB Interface: USB 2.0

1. KEY DEFINITION

2. OPERATION

1. Power on: insert earphone to jack 2, press + for seconds until the LED light comes on. Try again if first time failed.
2. Power off: pull out earphone from jack 2, press - for 5 seconds, system will shut down in approximately 1 minute.
3. Next/previous: when music is playing, press +/- shortly to skip to the next/previous song.
4. Volume up/down: when music is playing, press and hold +/- for a longer time to adjust the volume up/down.

3. CHARGING THE BATTERY

1. Connect the USB cable to the MP3 player and plug in to USB port on the computer.
2. Battery charging starts automatically and will be finished in approximately 2 hours.

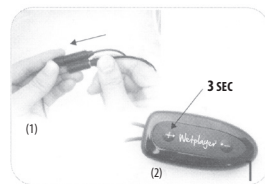

4. ADD/REMOVE MUSIC

1. Connect the USB cable to the MP3 player and plug in to USB port on the computer. If the device is not recognized, charge it for 1 hour and try again.
2. Use Windows Explorer or other filebrowsing software to navigate to the external device (default name: MP3).
3. Copy MP3 or WMA files from your hard disk to the MP3 player: select the file, press CTRL + C, open the MP3 player folder and press CTRL + V.
4. To remove music, simply select the file and delete it (press the 'delete' button on your keyboard).

5. MAINTENANCE

1. For optimal battery usage, let the battery drain completely and then charge it again to full capacity (at least 2 hours). Preferably do not leave the battery charging for more than 6 hours.
2. Water from the sea or swimming pool can cause corrosion to the jack. Please rinse with fresh water and dry with cloth or towel after use.

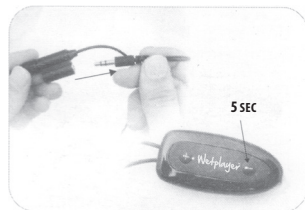

5. OPERATION ILLUSTRATION

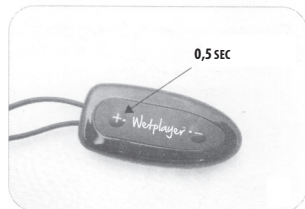

Power on

Long press for volume adjustment

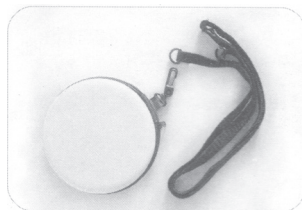

Power off

Short press for song select

6. CARRY BAG AND HEAD MOUNT ILLUSTRATIONS

Buckle the beach bag

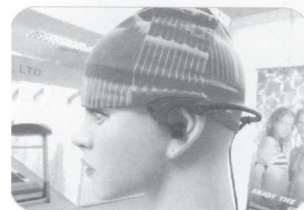

Handle with care when taking out or putting back your head mount to avoid breaking.

Easy for carrying around and keeping safe.

Fix head mount to the back of your head with cable running downwards. Careful not to place it upside down to avoid breaking, see image for reference.

Rest head mount on ears and manually insert the earplugs into your ears. Adjust until they properly and comfortably fit in your ears.
